Inquiry into causes of air crash of Airbus A-320 aircraft at Bangalore

*15. SHRI ATAL BIHARI VAJPAYEE:
SARDAR JAGJIT SINGH AURORA:

Will the Minister of CIVIL AVIATION be pleased to state:

(a) whether the inquiry into the crash of Airbus A-320 at Bangalore has since been completed and the report studied;

(b) if so, what are the findings of the inquiry; and

(c) what are the details of the follow up action taken by Government in this regard?

THE MINISTER OF ENERGY WITH ADDITIONAL CHARGE OF THE MINISTRY OF CIVIL AVIATION (SHRI ARIF MOHD. KHAN): (a) The investigation by the Court of Inquiry is still in progress.

(b and (c) Do not arise.

Judgement in the case of M/s. Glaxo regarding amount recoverable from the firm

*16. CHOWDHARY RAM SEWAK: Will the Minister of PETROLEUM AND CHEMICALS be pleased to refer to the answer to Unstarred Question 704 given in the Rajya Sabha on the 19th March, 1990 and state:

(a) what are the details of the judgement of Delhi High Court in the case of M/s. Glaxo regarding the amount recoverable from the firm;

(b) when was the judgement delivered and what action was taken thereon; and

(c) when Government's decision on the representation of the company was communicated to the company?

THE MINISTER OF PETROLEUM AND CHEMICALS (SHRI M. S. GURUPADASWAMY): (a) The operative part of the court judgement is that the court did not consider it necessary, proper or appropriate to stay further implementation of the order dated 20th November, 1986 or to say any proceedings for fixation of prices of various drug formulations based on Betamethasone and its salts. The court also directed to petitioners to file formal application for review and the Government to deal with the same after giving the petitioners a hearing and in the light thereof to affirm or revise the prices fixed by the order dated 20th November, 1986 and make consequent charges thereafter in the prices of drug formulations if fixed meanwhile.

(b) and (c) The judgement was delivered on 31st August, 1987. The prices of formulations based on the prices of Betamethasone bulk drug and its salts fixed on 20th November, 1986 were revised on 12th July, 1988 (Non-ceiling prices) 25th August, 1988 (Ceiling prices). Since the Price Review Committee had already been constituted to look into the cases of the companies involved in the Supreme Court judgement, it was decided that this Committee should also hear the review application of M/s. Glaxo in terms of the aforesaid judgement of the High Court. The revised price recommended by the Committee for the bulk drug was accepted by the Government and notified on 2nd January, 1989. The prices of formulations were also revised thereafter. A sum of Rs. 37 cores was tentatively worked out against the company and communicated to them on 22nd September, 1989. The company has since deposited Rs. 8.19 crores with the Government so far.

Withdrawal of the Recognition to the University College of Medical Sciences Delhi by the Medical Council of India

*17. SHRI CHATURANAN MISHRA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) when the University College of Medical Sciences was recognised by Delhi University and the Medical Council of India;

(b) whether it is still recognised by Delhi University and whether the Medical Council of India has withdrawn its recognition to this college;

(c) if so, whether students of UCMS have been on strike against the decision of the Medical Council of India; and

(d) if so, what steps are being taken by Government to recognise degree of UCMS by Medical Council of India?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI RASHEED MASOOD): (a) to (d) The University College of Medical Sciences was founded in the year 1971 and has been affiliated to the Delhi University since then. The MBBS degree awarded by the Delhi University to the students of UCMS is a recognised medical qualification for the purposes of Indian Medical Council Act, 1956. Once a medical qualification is recognised, it continues to be so until the Central Government, on receipt of report from the Medical Coupncil of Indai that the facilities for instruction and training provided in the medical college do not conform to the standards prescribed, and in consultation with the State Government concerned, withdraws such recognition. There is no proposal before the Central Government for the withdrawal of recognition of MBBS degree awarded to the students of the University College of Medical Sciences nor has Medical Council of India any authority to withdraw recognition.
